

Game Overview

Sugar Rush 1000

Sugar RUSH 1000

Game Description (for Players)

Another sweet treat is heading your way with **Sugar Rush 1000**.

Taking the original to sugary new heights, symbols including jelly bears, hearts and stars can land upon the game's expansive 7×7 grid. Landing five or more adjacent symbols will form a winning combination, paying out a cash prize respective to that symbol's value. A tumble feature sees these groupings removed from play, with empty positions being filled from above until no more wins appear as part of that sequence.

Whenever a winning symbol explodes, its spot is marked on the grid. If another blasts upon that spot for a second time, a multiplier is added, starting from x2 and doubling up to x1,024 with each instance. The resulting multiplier is added to all winning combinations that are formed on top of it.

What to expect:

- Hitting three or more Scatters on any spin will trigger the free spins bonus round, with at least ten free games to start
- During this round, marked spots and their multipliers will remain in place until the round ends and can increase in value with subsequent tumbles
- Hitting a further three or more Scatters during the bonus round will award additional free spins.

TUMBLE FEATURE

The TUMBLE FEATURE means that after every spin, winning combinations are paid and all winning symbols disappear. The remaining symbols fall to the bottom of the screen and the empty positions are replaced with new symbols coming from above.

Tumbling will continue until no more winning combinations appear as a result of a tumble. All wins are added to the player's balance after all of the tumbles resulted from a base spin have been played.

MULTIPLIER SPOTS FEATURE

Whenever a winning symbol explodes it marks its spot on the grid. After the second time a symbol explodes on the same spot a multiplier is added to the spot, starting from x2 and doubling every time one more symbol explodes on top of it up to a maximum of x1024. The multiplier applies to all winning combinations that hit on top of it. If more multipliers are involved in the same winning combination, they add to each other.

In the base game all the marked spots with multipliers last until the end of the tumbling sequence, being cleared when there are no more tumbles.

FREE SPINS

Hit 3, 4, 5, 6 or 7 SCATTER symbols anywhere on the screen to win 10, 12, 15, 20 or 30 free spins respectively.

During the FREE SPINS round marked spots and their multipliers remain in place until the end of the round and can increase with subsequent tumbles across all of the free spins.

Hit 3, 4, 5, 6 or 7 SCATTER symbols during the round anywhere on the screen to win 10, 12, 15, 20 or 30 additional free spins respectively.

Special reels are in play during the feature.

MAX WIN

The maximum win amount is limited to 25,000x bet in both base game and free spin. If the total win of a FREE SPINS ROUND reaches 25,000x bet the round immediately ends, win is awarded and all remaining free spins are forfeited.

BUY FREE SPINS

The FREE SPINS round can be instantly triggered from the base game by buying it.

There are two options to buy the FREE SPINS:

Pay 100x total bet to trigger the FREE SPINS feature.

Pay 500x total bet to trigger the SUPER FREE SPINS feature. In this mode x2 starting multipliers are already added to all spots on the grid.

When buying the FREE SPINS round, on the triggering spin, 3, 4, 5, 6 or 7 SCATTER symbols can hit randomly.
