PRAGMATIC PLAY

Game Description

The iconic fisherman gets a supercharged makeover in Big Bass Bonanza 1000.

Fish-themed symbols take their place on the 5x3, 10 payline slot ready to award instant cash wins of up to 1,000x, whilst bonus play is elevated with an array of features increasing the chances of lavish returns!
Landing between 3-5 scatters will see 10,15 and 20 free spins awarded respectively. When two scatters land, randomly a third can land on the reels via a special hook.

What to Expect:

- During bonus play, wilds collect the value for all money symbols that land, with every fourth wild also retriggering the bonus round and offering multipliers up to 10x.
- When fishermen scatters land with no money symbols present, the bazooka feature sees all non-fishermen symbols explode and replaced with new ones to include money icons.
- Bonus wins are also boosted by the hook feature. When money symbols land with no fishermen scatters present, a fishing line will drop from the top of the reels and hook the reel up to reveal a fisherman and award cash prizes.
