Gates of Olympus POP

GAME DESCRIPTION

A MINIATURE YET MIGHTY ZEUS MAKES AN ELECTRIC APPEARANCE IN GATES OF OLYMPUS POP.

Matching 5-9+ royal symbols anywhere on the 3x5 grid awards instant base game wins, while tumbling reels can offer more chances to win on each spin.

Multiplier symbols carrying random values of up to 1,000x can also land during the base and bonus games, remaining on screen during consecutive tumbles. At the end of a tumbling sequence, the values of all multipliers are added together before boosting the total win.

Landing three or more scatters triggers the bonus game with an initial 15 free spins, where landing a further two or more scatters awards five additional spins. During the feature, any multipliers that land on a winning spin or tumble are added to a running total, which applies at the end of each tumbling sequence.

Landing two jackpot symbols anytime during base or bonus play awards the 500x Spark jackpot, while landing three awards the Burst jackpot, striking down 25,000x.

WHAT TO EXPECT:

- Multiplier symbols with values of up to 1,000x can boost wins in both the base game and bonus game.
- 3+ scatters trigger the bonus game with 15 free spins, where winning multipliers add to a progressive total.
- On any spin, 2-3 jackpot symbols can award the 500x Spark jackpot or 25,000x Burst jackpot.
